

COVID-19

Free resources curated by National Police Library

Version June 2020 1.2

A number of publishers have made their resources relevant to the COVID-19 coronavirus outbreak free to all for the duration of the outbreak, and in some instances have provided wider access. Many of these resources will not be relevant to policing, but a list of resources is below and along with direct links to any papers with potential relevance to policing.

[Link to full list of resource pages](#)

Specific publishers:

- [Police Foundation information page \(US\)](#)
